Attention: Only the animals who receive the effective title of COLOURCHAMPION or COLOUR-CLASSWINNER with a TROPHY (which can be found on the certificate), can be named as colourchampion (such as on pedigrees, announcements, publications, websites,...)

This means : Animals who had to compete as second or third last against the effectively colourchampion, are not in the possibility to be named 2nd or 3rd colourchampion, because they did not receive a trophy for this meanings!!!

In case you might see dedicated titles for which you have questions or doubts, you can contact the organization of the show if this title is official and deserved.

We would like to ask your cooperation so that the dedicated titles can retain their respected value!

The amount of animals you wish to register is unlimited, all animals brought to the show must be in good shape.

Sick or manipulated animals will be expelled.

Animals which are obviously manipulated, all animals from this contestant will be expelled without refund of the fee.

All animals have to stay on site till after the prize giving.

In case you wish to leave the show (permission from 1 hour after the ending of the show and only by an authorized person), you will not receive any price, certificate or result.

Decisions from the inspector(s) are indisputable and the organization can't be placed responsible for occurring accidents or theft.

Access to the show is only on invitation. For non-exhibitors the visitor card will be given on the day of the show. The Hungarian Chinchilla Breeders Association has the right to refuse access.

The Wanger System of Breeding Chinchillas buys animals raw skins after the show.

In case of request Wanger System of Breeding Chinchillas organize farm visit in one of their chinchilla farm.
